

OUR MISSION

"Hometown Health Centers helps people live healthier lives by improving health outcomes and health equity through quality primary care and preventative services. Anyone seeking care, regardless of income, will be helped and treated with respect by people who are mindful of cultural uniqueness and dedicated to continuous improvement."

TRUST

 placed in you by patient-consumers and co-workers.

RESPECT

 shown to patient-consumers and co-workers.

HELPFUL

 in resolving all issues before a patientconsumer leaves.

INTEGRITY

goes beyond what the law requires.

COMPASSION

 is kindness to patient-consumers and co-workers.

COMMUNITY DRIVEN
