INDEMNIFICATION OF DIRECTORS, OFFICERS, AND EMPLOYEES

Section 1: Authorized Indemnification:

Unless clearly prohibited by law or these By-Laws, this Corporation shall promptly indemnify any person, including staff (an "Indemnified Person") made or threatened to be made a party in any action or proceeding, whether civil, criminal, administrative, investigative or otherwise, including any action by the Corporation, by reason of the fact that she/he (or her/his Testator or Administrator, if then deceased), whether before or after adoption of this Article: (a) is or was a staff person or Director or Officer of the Corporation, or (b) is serving or served, in any capacity, at the request of the Corporation, as a Director or Officer of any other corporation, or any partnership, joint venture, trust, employee benefit plan or other enterprise. The indemnification shall be against all judgments, fines, penalties, amounts paid in settlement, provided the Corporation shall have consented to such settlement, and reasonable expenses, including attorneys' fees and costs of investigation, incurred by an Indemnified Person with respect to any such threatened or actual action or proceeding while acting in good faith on behalf of the Corporation.

Section 2: Prohibited Indemnification:

The Corporation shall not indemnify any person if a judgment, or other final adjudication, adverse to any Indemnified Person establishes, or the Board of Directors in good faith determines, that such person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated or that she/he personally garnered any financial profit or other advantage to which she/he was not legally entitled.

Section 3: Advancement of Expenses:

The Corporation shall, on request of any Indemnified Person who is or shall be entitled to be indemnified by the Corporation, pay or promptly reimburse an Indemnified Person's reasonably incurred expenses in connection with a threatened or actual action or proceeding prior to its final disposition. However, no such advancement of expenses shall be made unless the Indemnified Person makes a binding, written commitment to repay the Corporation, with interest, for any amount advanced for which it is ultimately determined that she/he is not entitled to be indemnified under the law or these By-Laws. An Indemnified Person shall cooperate in good faith with any request by the Corporation that common legal counsel be used by the parties to such action or proceeding who are similarly situated unless it would be inappropriate to do so because of actual or potential conflicts between the interests of the parties.

Section 4: Indemnification of Others:

Unless clearly prohibited by law or these By-Laws, the Board of Directors may approve indemnification by the Corporation, as set forth in Section 1 of this Article, or advancement of expenses as set forth in Section 3 of this Article, to a person (or her/his Testator or Administrator, if then deceased) who is or was employed by the Corporation or who is or was a volunteer for the Corporation, and who is made, or threatened to be made, a party in any

action or proceeding, by reason of the fact of such employment or volunteer activity, including actions undertaken in connection with service at the request of the Corporation in any capacity for any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

Section 5: Determination of Indemnification:

Indemnification mandated by a final order of a court of competent jurisdiction will be paid. After termination or disposition of any actual or threatened action or proceeding against an Indemnified Person, if indemnification has not been ordered by a court, the Board of Directors shall, upon written request by an Indemnified Person, determine whether and to what extent indemnification is permitted pursuant to these By-Laws. Before indemnification can occur, the Board of Directors must expressly find that such indemnification will not violate the provisions of Section 2 of this Article. No Director with a personal interest in the outcome, or who is a party to such actual or threatened action or proceeding concerning which indemnification is sought, shall participate in this determination. If a quorum of disinterested Directors is not obtainable, the Board of Directors shall act only after receiving the opinion in writing of independent legal counsel that indemnification is proper in the circumstances under then applicable law and these By-Laws.

Section 6: Binding Effect:

Any person entitled to indemnification under these By-Laws has a legally enforceable right to indemnification which cannot be abridged by amendment, modification or repeal of these By-Laws with respect to any event, action or omission occurring prior to the date of such amendment, modification or repeal.
